Responsive to the Office Action dated September 27, 2006, the applicants hereby respond as follows:

Remarks

Claims 1-20 are at issue and are subject to a restriction requirement. The Examiner states that Species A is drawn to FIG. 2 and species B is drawn to FIG. 3. The applicant selects species B with traverse.

The applicant believes that both species use similar techniques with slight variations in whether the whole circuit board is ground and processed or the circuit
